Awards are all well and good but it's our customer feedback that means the most to us.

"As usual I felt thoroughly looked after by the Wendy Wu tour guides. Sam greeted us at the airport and breezed us through security. Amany, our Egyptologist guide was incredibly knowledgeable and enthusiastic about every remarkable site we went to. The cruise ship was amazing and very relaxing in between our trips to the temples.

I was sad to say goodbye to our two lovely Egyptian guides but the very enthusiastic Oria took over as our Jordanian guide. It was interesting to see and learn about the Jordanian sites and culture of which I knew very little. The site of Petra was the main attraction and covered a much larger area than I had expected. Our final destination relaxing at the Dead Sea was the perfect ending."

Fiona Goodman
(Egypt & Jordan Adventure – May 2022)

"Excellent. The itinerary was busy but that meant you saw a great deal and experienced so much of what Turkey has to offer. Our guide was very knowledgeable, informative, approachable and kind. Would definitely recommend and use Wendy Wu as a tour operator again if this trip is representative of their experience and organisational skills which were first class."

David Franklin (Treasures of Turkey – Nov 2024)

PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every tour requires the ability to walk around sights unaided, while tours with higher physical ratings may involve longer walks, cycling, or other physical activities. Tours that traverse rough terrain, visit remote areas, or go to high altitudes will also have higher physical ratings.

LEVEL 1

A reasonable level of fitness is required. Expect to be on your feet for most of the day walking around sights, often including steps and getting on and off coaches, trains, or boats. Occasional longer walks may be included.

LEVEL 2

A moderate level of fitness is required. You will be on your feet for most of the day, with longer walks that include ascents and descents on steps or uneven paths. Travelling conditions may be more challenging in some areas.

LEVEL 3

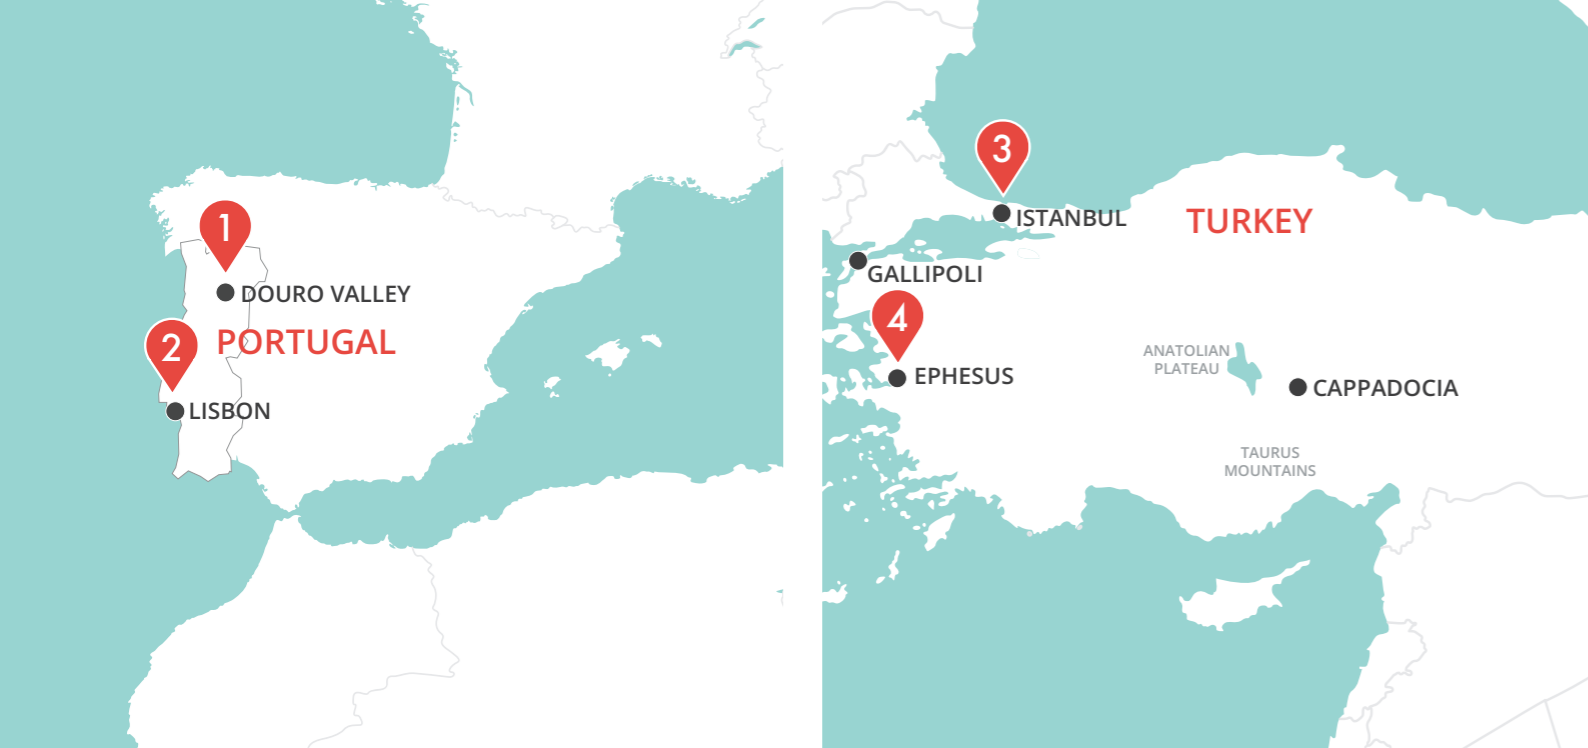

A good level of fitness is required. You need to be comfortable walking long distances and for extended durations. The tour may also include activities such as cycling and hiking and visit some remote areas with basic infrastructure.

LEVEL 4

A high level of fitness and a strong spirit of adventure are required. These tours are full of activity and often visit remote areas with basic infrastructure. Expect to be on your feet and active for much of the day, with some long travelling days.

As the physical requirements vary by tour, we recommend reviewing the Detailed Itinerary on our website before booking to ensure it's the right fit for you.

THE MIDDLE EAST

From the windswept coastline of the Mediterranean to the vast starkness of its deserts, everything about the Middle East exudes mystery and old-world romance. Built on the foundations of the most ancient of civilisations, today it is a region of unfathomable history and warm hospitality.

A place where the past is always present, it was here that some of the first cities came to be, and where three of the world's major religions were born, shaping these age-old metropolises with the classic architecture that remains rewarding to explore today. Here, you'll find Egypt, the fabled land of the pharaohs and all of their

ancient treasures, as well as the incredible Nabataean cities of Petra in Jordan and Hegra in Saudi Arabia, destinations that will make you feel like an intrepid explorer of the distant past.

Beyond these urban centres and historic sites are beautiful beaches, great deserts and dramatic mountains dotted with striking stretches of lush greenery, cultural treasures and bucket list sights, all simply crying out to be explored.

At Wendy Wu Tours, we pride ourselves on the strong relationships we have with our airline partners. We can offer you not only the most convenient flights to complement your tour, but the best value too. We believe that your flights are an essential part of your holiday experience, and so our carefully selected airlines offer the utmost comfort, allowing you to arrive relaxed, refreshed and raring to go! All of our tour prices include return international economy class flights, but if you're celebrating or just fancy treating yourself, upgrading your cabin class is a great option.

Royal Jordanian Economy Class

ECONOMY CLASS

Offering a comfortable seat, in-flight entertainment and meal service, the Economy cabin varies little between airlines. You can expect to find the following:

- Legroom between 31 and 33 inches
- Personal screen with on-demand entertainment and headphones
- In-flight meals, catering for dietary requirements

British Airways World Traveller Plus

PREMIUM ECONOMY

Some airlines offer a Premium Economy option on their international flights. With a dedicated cabin and more spacious seating, Premium Economy offers an improved experience over Economy, but without the price tag of Business Class. Perks of Premium Economy include:

- Adjustable head rests, leg rests or lumbar support
- Larger personal screens
- Premium food service
- Increased complimentary baggage allowance

Turkish Airlines Business Class

BUSINESS CLASS

Found mostly on long-haul, international routes, those who upgrade to Business Class can expect significantly more comfort and amenities than Economy and Premium Economy. You'll have:

- A dedicated check-in and Business Class lounge access
- Fast track through airport security
- Varying greatly between airlines, Business Class seats range from recliner seats to flatbed seats to 'suites'
- Large personal screens and extra viewing options
- Premium dining and wine service
- Increased cabin crew to passenger ratio
- Extra baggage allowance
- Luxury amenity kit

Saudia First Suite

FIRST CLASS

Long-haul First Class is the ultimate travel luxury, with optimum levels of comfort and service on whichever airline you choose. You can expect:

- Dedicated check-in and fast track through airport security
- Access to exclusive First Class lounges
- A flatbed seat or 'suite' with extra space and privacy compared to Business Class
- Exclusive cabin and more specialised service
- Premium dining service with a choice of international dishes
- Personal Butler service
- Luxury amenity kit including branded toiletries and accessories

Note: Aircraft on board facilities differ between aircraft type and can be changed at short notice by the airline. When upgrading your seat, the advertised on board facilities are only guaranteed on the long-haul flight. On domestic or short-haul flights the configuration and facilities will differ to those on your long-haul flights.

Preferred Airline Partners

ROYAL JORDANIAN

Royal Jordanian has been in continuous progress to meet and maintain its ultimate vision of being the airline of choice and Hub of the Middle East, connecting Jordan and Levant to the world across continents. Operating with a modern fleet of aircraft, including the Boeing 787 Dreamliner, Royal Jordanian offers a daily service from London Heathrow to Amman, daily flights from London Stansted to Amman and 5 flights weekly from Manchester to Amman.

TURKISH AIRLINES

Turkish Airlines connects people to 353 destinations and is the only airline in the world which operates to more than 130 countries including 86 destinations in India and Asia. Turkish Airlines have been awarded "The Best Airlines in Europe" by Skytrax for the 10th consecutive year in 2025.

Guests can experience an exceptional service onboard with comfortable seating in Economy and flatbed seats in the Business cabin on wide body aircrafts. Guests will enjoy award-winning catering services on all routes.

BRITISH AIRWAYS

Wendy Wu Tours is delighted to be a British Airways preferred partner. Choose from four travel classes and experience more than a flight, flying in comfort to Portugal, Turkey, Egypt, Jordan and South Africa from London Heathrow, with a wide range of connecting regional flights from all over the UK. We recommend the extra space and comfort of British Airways premium economy cabin, World Traveller Plus, which is offered on selected long-haul flights.

SAUDIA

One of the few airlines to achieve the APEX WORLD CLASS award, a four-star SKYTRAX carrier and winner of the SKYTRAX 2025 Best Airline Customer Service Award, Saudia is Saudia Arabia's flagship carrier. Operating direct flights to Jeddah, Riyadh and Dammam from London Heathrow and to Jeddah from London Gatwick, Manchester and Birmingham, Saudia's Guest Class offers some of the most comfortable and spacious economy seats in the air today.

Other airline partners in the Middle East include Etihad Airways, Qatar Airways and Emirates.

Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant detailed itineraries before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges, such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents around two weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival and departure days, please contact us

Q. How do I get my visa?

A. When you make your booking, we will advise you on the latest visa requirements for your destination. If your trip requires a visa, we will be in contact prior to your departure to explain the process.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority.

That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up to date information please refer to www.fitfortravel.nhs.uk and always seek your doctor's advice.

Q. How fit do I need to be?

A. Our group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the detailed itineraries which you can find on our website. Please contact us if you require any advice. Our range of Private Tours is more flexible and may better cater for individual needs. Ask us for more details.

Q. What size are your tour groups?

A. Our Classic tours have a maximum group size of 28, with on average around 20 to 22 travelling. Our Go Beyond tours are limited to 18 maximum, with on average around 14 in the group. In Madagascar the maximum group size is limited to 12. On our group tours we operate where possible a seat-and-a-half policy, allowing you to travel in comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 10 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved

exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure.

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights and trains.

Q. What currency should I take?

A. We recommend you take the local currency and a credit/debit card. If travelling to more than one country it may also be advisable to bring some US dollars to exchange locally. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to travel?

A. Our group tour dates are based on the best time to travel in each destination, however as the Middle East, Europe and Africa are such large and varied regions there will be drastic differences between and even within countries, sometimes on the same tour. See individual tour pages and detailed itineraries in this brochure for further information about the seasons and climate in each destination.

Q. Do you allow children on your tours?

A. We allow children 12 years and over on most of our group tours. Alternatively, private tours offer greater flexibility whilst on tour and are suitable for any age group. Any of our tours can be enjoyed as a private tour.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What sort of vehicles do you use?

A. We use a variety of transportation to operate your itinerary at the best pace and to give you an authentic travel experience so you are not always 'removed' from the locals.

Domestic Flights: Planes are very similar to what you would travel on at home with allocated seats. Depending on flight duration meals may/may not be provided. Group members may not necessarily be seated together. The flight schedule of domestic airlines changes frequently, hence all domestic flights that appear in your itinerary are subject to change. Please ensure that all valuables and

WHILE ON TOUR

any items you may need for the rest of the day are carried in your hand luggage. The luggage limit is 20kg per passenger, and bags must be locked. Airlines currently do not allow liquids over 100ml (alcohol, spirits, wine, water, perfume etc) or sharp objects to be carried onboard the aircraft in hand luggage and these will be confiscated.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On smaller private tours we use air-conditioned vehicles suitable for the size of the party. There will also be some instances where smaller vehicles such as jeeps are used to access certain areas. If this is the case this will be stated in your itinerary.

Boats: In Egypt you will cruise the Nile on a 5 star vessel, where the cabins have a private bathroom, air conditioner and river views while the communal area offers a swimming pool, outdoor bar, lounge, gift shop, restaurant and sauna & gym. You will enjoy various forms of entertainment in the evenings such as belly dancing and oriental shows.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings and smart casual clothes are recommended for evenings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Are there shopping opportunities on your tours?

A. There will be an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do standards abroad compare with UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. How does the tipping system work on your tours?

A. Tipping is expected in the Middle East, Europe and Africa. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or local guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24-hour emergency support number.

Travel with purpose

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

WENDY WU TOURS BOOKING CONDITIONS

The following booking conditions, along with our Privacy Policy (www.wendywutours.co.uk/help-and-advice/privacy-policy/) and any other information we brought to your attention before we confirmed your booking, form the basis of your contract with Wendy Wu Tours Ltd, Newhams Yard, 151-153 Tower Bridge Road, London SE1 3JE, company number 05107061. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, you confirm that you have had the opportunity to read and have read these booking conditions, the brochure and Detailed Itinerary and agree to be bound by them.

These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "contract", "package", "tour" or "arrangements" mean such holiday arrangements unless otherwise stated. For tailor-made holidays, please refer to our Wendy Wu Tailor Made brochure and terms and conditions, or visit our website. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Wendy Wu Tours Limited.

1. Your Holiday Contract

The first named person on the booking ("lead name") must be authorised to make a booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking the lead name confirms that he/she is so authorised. The lead name is responsible for making all payments due to us and to indemnify us for the liability of all party members. The lead name must be at least 18 when the booking is made. After we receive your booking request and all appropriate payments (see clause 4 "Payment" below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we email your confirmation invoice to the 'lead name' or your Travel Agent. Your invoice will be sent to your travel agent or the lead name on the booking if you have booked direct with us. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See clause 8).

We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 13) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

2. Your financial protection

For flight-based holidays this is through our Air Travel Organiser's Licence (ATOL number 6639) issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some

cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

*The flights and flight-inclusive packages we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at atol.org.uk.

We are a member of ABTA (ABTA number W7994). If your package holiday does not include a flight, protection is provided by way of a bond held by ABTA The Travel Association, 30 Park Street London, SE1 9EQ - abta.co.uk

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from the consumer rights applying to packages. We will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent. More information on key rights can be found by visiting www.legislation.gov.uk/uksi/2018/634/contents.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking. Once the price of your chosen holiday has been confirmed at the time of booking, it will not be subject to change.

4. Payment

In order to confirm your chosen holiday, a non-refundable deposit of at least £350.00 per person (or full payment if booking within 75 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply – please see the terms and conditions of individual special offers for further information. The balance of the holiday cost must be received by us not less than 75 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent. Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). If we do not receive all payments due in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by

BOOKING CONDITIONS

the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us. If you wish to amend or cancel your holiday, your original method of payment will be used to process this (e.g. bank card, credit card, refund credit note).

Please note that on very rare occasions, errors may occur when inputting prices onto our website and systems. We regret that any contract entered into on the basis of a pricing error will be invalid. In the unlikely event that this situation arises, you will be given the option to pay the correct price or cancel with a full refund.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of travel, and contains a minimum of two blank pages, is required for travel for the majority of countries in our programme. As visa requirements are constantly changing, you must regularly check the Foreign, Commonwealth & Development Office (FCDO) website for the most up to date entry requirements. Visa fees, where required, are included for UK British Citizen passport holders and will be specified whether included on your confirmation invoice. If you hold any other British passport (British Subject, British National Overseas) or you are a non-UK passport holder or you reside outside of the UK, you will be required to obtain your own visas at your own expense. If you hold a UK passport but were born outside the UK, this may also apply and you should contact us for more information. If you hold a UK passport but were born outside the UK, this may also apply and you should contact us for more information. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK British Citizen passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. An express visa process is available for an additional cost depending on the country of visit. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a visa, or payment of the balance of the holiday cost (see clause 4) to be deferred until visas have been issued. It is your responsibility to check that you comply with all entry, passport, visa, immigration requirements and health and safety formalities applicable for your itinerary. Wendy Wu Tours accepts no responsibility in this regard. We accept no responsibility for passports lost in the post. You must ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. Failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance. You must be satisfied that your insurance fully covers all your personal requirements, including the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances. Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions, in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.fitfortravel.nhs.uk. Health requirements and recommendations may change and you must check the up to date position in good time before departure. The FCDO publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.
