PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every tour requires the ability to walk around sights unaided, while tours with higher physical ratings may involve longer walks, cycling, or other physical activities. Tours that traverse rough terrain, visit remote areas, or go to high altitudes will also have higher physical ratings. For more information on why each tour has been rated the way it has, please refer to the Tour Dossier (or 'Detailed Itinerary') available for download on the tour pages of our website.

LEVEL 1

A reasonable level of fitness is required. Expect to be on your feet for most of the day walking around sights, often including steps and getting on and off coaches, trains, or boats. Occasional longer walks may be included.

LEVEL 2

A moderate level of fitness is required.
You will be on your feet for most of the day, with longer walks that include ascents and descents on steps or uneven paths. Travelling conditions may be more challenging in some areas.

LEVEL 3

A good level of fitness is required. You need to be comfortable walking long distances and for extended durations. The tour may also include activities such as cycling and hiking and visit some remote areas with basic infrastructure.

LEVEL 4

A high level of fitness and a strong spirit of adventure are required. These tours are full of activity and often visit remote areas with basic infrastructure. Expect to be on your feet and active for much of the day, with some long travelling days.

As the physical demands of each tour are different, we recommend you check your Tour Dossier (or 'Detailed Itinerary') carefully before booking and contact us or your agent if you're unsure.

THE VICTORIA MEKONG

Launched in December 2019, the Victoria Mekong is a contemporary four-star river vessel cruising between Vietnam's Mekong Delta and Cambodia's capital Phnom Penh. It offers 35 spacious balcony cabins, including two VIP suites. Facilities on board include an outdoor pool, onboard cinema, cocktail bars, a restaurant and a spa with massage service. To put you right in the heart of local life, there are shore excursions with plenty of opportunities to interact with local people and their culture. The cultural immersion doesn't end there, but continues onboard, with traditional music and dance, lectures on local topics, cooking classes and a cocktail-making competition too.

All aboard: Victoria Mekong

Launched in December 2019, the four-star Victoria Mekong is a fresh, contemporary river vessel with four spacious passenger decks, offering a peaceful, premium small-ship experience between Vietnam and Cambodia.

YOUR STATEROOM

The Victoria Mekong boasts some of the most spacious cabins on the Mekong Delta, all outward-facing with private balconies. Her 33 en suite staterooms, each $25 \mathrm{m}^2$, are spread across the River and Panorama decks, along with two aft-facing VIP suites $(45 \mathrm{m}^2)$ at the rear of the Panorama deck. All cabins can be booked as twin or double beds, and feature rain showers, hair dryers, individually controlled AC and French windows onto the balcony.

FACILITIES ON BOARD

The Victoria Mekong was designed with relaxation in mind. Guests are invited to soak up the sun in the outdoor infinity pool, try their hand on the mini-golf green, watch films or documentaries in the on-board cinema, indulge in a treatment at the Green Lotus Spa, or enjoy the daily activities held in the Lounge Bar. For those who simply wish to relax, sun loungers and parasols are available on the Sky Deck, while books and games are available to borrow from the library. Where possible, the Captain is pleased to invite guests to visit the bridge.

WINE & DINE

The Claypot Restaurant, located on the Panorama deck, is an airy, spacious venue with large bay windows offering 180-degree river views, along with a terrace for al fresco dining. All meals are included; cuisine varies each night, with set menus available at dinner.

Asian hospitality is widely regarded as some of the best in the world, and the Victoria Mekong is no exception. House wine is complimentary with dinner, along with a daily sunset cocktail and free-flow soft drinks and beer. Additional snacks and spirits are available from the Lounge Bar.

YOUR JOURNEY

The Mekong is the seventh longest river in all of Asia, and the twelfth longest in the world. Stretching 2,700 miles from China across the Tibetan Plateau and through Myanmar, Laos, Thailand, Cambodia and Vietnam, it empties into the South China Sea south of Saigon. It is the lifeblood of Southeast Asia, and many centuries of cultural, economic and political history have played out on its banks.

The Victoria Mekong cruises from Kampong Cham in Cambodia to the Vietnamese town of Can Tho in the Mekong Delta. Guests can join the full 7-night cruise, or opt for a shorter 4 night option beginning or ending at Sisowath Quay in Phnom Penh. Alternatively, guests can opt for the 3-night sailing from Kampong Cham to Phnom Penh.

Along Victoria Mekong's route, she calls at ports such as Tan Chau, Long Xuyen and Tan Loc Island, with excursions to historic temples, silk villages, the Royal Palace, the Killing Fields and a floating market. See overleaf for more information about her ports of call.

Guests on all itineraries will enjoy nightly evening entertainment on board, ranging from Cambodian Apsara performances to traditional Mekong folk music and even a mischievous lion dance on the sun deck. Onboard activities range from mini-golf to cocktail-making competitions, destination presentations and film nights.

TAILORMADE SOUTHEAST ASIA

The very best of Southeast Asia, exactly the way you want it

WHAT IS A TAILORMADE HOLIDAY?

Quite simply, a tailormade holiday is a journey designed and created especially for you. There's no one-size-fits-all when it comes to travel so tailormade holidays are the perfect opportunity for travellers looking to embark on that once-in-a-lifetime adventure or epic honeymoon, for people who want to indulge their special interest, or for those who simply want to do things their own way.

WHY TRAVEL TAILORMADE?

You're completely in control of the what, where and when. You can choose the pace, where to linger longer, where to pass through and where to bypass completely. The hotels (from comfortable to all out luxury), what and where you eat, the number of nights, when you depart, the sort of experiences that you'll have, is all up to you too!

Whether you have a fully formed itinerary in mind, or just a vague inkling of what you want to see and do, one of our Personal Travel Specialists will be able to craft you something marvellous - with as much, or as little, input from you as you wish.

WHY GO TAILORMADE WITH **MENDY MUS**

We've long prided ourselves on our abilities to make extraordinary tours, so it goes without saying that we're also pretty good at putting together tailormade ones. Our team of Personal Travel Specialists, who are wonderfully well-travelled and expert travel planners, are on-hand to advise and recommend - just let them know what you're after and they'll do the rest. With a wide range of accommodation options, private guiding when you want it and exceptional knowledge of local flavours and the most authentic local experiences, we've got you covered.

How does it work?

"We are writing to say a very big thank you for giving us a wonderful tailormade holiday. We were so impressed by how well organised the whole trip was, with reps on hand to meet us at each new destination, local guides for every city who were very informative, and a brilliant driver who looked after us so well during the entire tour."

Kevin & Shirley Mears

Hanoi

Situated in the north of Vietnam, Hanoi experiences cool and dry winters and hot and humid summers. Spring and autumn are the most ideal times to visit with warm temperatures and lower humidity.

Luang Prabang

Luang Prabang is located along the Mekong River and has two typical seasons. During the winter months Luang Prabang is warm and dry and during the summer months it is hot with higher rainfall than the winter months.

Saigon

Tropical Saigon is usually warm all year round and dry during the winter and spring months. Popular times to visit are November to May. Saigon's rainy season falls in the summer months, but these rain spells often clear quickly.

Bangkok

With its typical tropical climate, Bangkok is warm year round and at its hottest between March and June. Humidity levels are higher during this time, but this vibrant city cools down a little between July and October with periods of rainy weather and occasional showers.

Hoi An

Hoi An has two distinct seasons. Summer is very dry and warm, making this the ideal time to visit. Winter months are cooler with heavier rainfall. Hoi An's tropical climate makes this city warm year-round.

Phuket

Phuket enjoys mild weather year round. The hottest periods fall between April and May. The rainy season is during the months of September and October, the rest of the year is relatively dry.

Siem Reap

Siem Reap is temperate throughout the year and experiences its highest levels of rainfall between May and October, though temperatures remain warm at this time. November to April is when the city is at its driest.

Chiang Mai

Tropical Chiang Mai enjoys year-round warmth, with temperatures peaking in the humid summer months from May to mid-October. The winter months from November to April see comfortable temperatures and very little rain, making this the most popular time to visit.

Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant Tour Dossier before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide and phrasebook as well as a suggested packing list with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents around two weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival and departure days, please contact us.

Q. How do I get my visa?

A. When you make your booking, we will advise you on the latest visa requirements for your destination. Our operations team will get in touch with you nearer the time of your departure with full information on how to obtain your visa.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up to date information please refer to www.fitfortravel.nhs.uk and always seek your doctor's advice.

Q. What size are your tour groups?

A. The group size on our Classic tours is on average around 21 passengers, with a maximum group size 28. On our Go Beyond tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 8 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure.

Q. What is the maximum luggage allowance on your tours?

A. If your tour includes internal flights your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on most internal flights. If there are no internal flights on your tour then your allowance is the international flight limit.

Q. What currency should I take?

A. We recommend you take sterling or US dollars as well as the local currency and a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs, additional tipping and optional extras.

Q. When is the best time of year to visit Southeast Asia?

A. Southeast Asia is a year-round destination. While November to April are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists.

Q. When are Southeast Asian public holidays?

A. Vietnamese New Year, otherwise known as Tet, moves according to the lunar calendar, usually falling in late January or early February. Celebrations last up to ten days. New Year celebrations for Cambodia, Laos and Thailand are in mid-April every year. Some businesses may be closed and tourist sites may be busier.

Q. How fit do I need to be?

A. Our group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the Tour Dossiers which you can find on our website. Please contact us if you require any advice.

Our range of Private tours is more flexible and may better cater for individual needs. Ask us for more details.

Q. What does escorted touring mean?

A. Every group tour with 10 or more passengers will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different National Escorts are used in each country. In the event that your group is fewer than 10 you will be accompanied by local guides in each location. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

WHILE ON TOUR

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours we use air-conditioned vehicles suitable for the size of the party.

River: Ships or boats are used on tours which have a cruising element, from river cruising ships on the Irrawaddy and Mekong to comfortable, well-equipped sailing vessels on Halong Bay. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Is tap water safe to drink?

A. We strongly recommend that you drink bottled water only.

Q. What is the flying time to Southeast Asia?

A. Approx. 12 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our Classic group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age group.

Q. Will I be travelling with passengers from other countries?

A. Our groups are generally made up of travellers from the UK, Ireland, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do standards abroad compare with the UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. Is porterage included?

A. Porterage is included on our group tours to Southeast Asia (from the coach to the lobby of each hotel).

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Q. How does the tipping system work on your tours?

A. Tipping is expected in Southeast Asia. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours, so your National Escort will collect a tips kitty at the start of the tour and look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or river guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages. On Private tours and extensions, we will advise recommended amounts.

The specific amounts for tipping contributions will be outlined in your final documentation.

However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable) If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an

You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body. if that other body has paid sums you have claimed under the ATOL scheme.*The flights and flight-inclusive packages we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk. We are a member of ABTA (ABTA number W7994). Therefore, you will benefit from all EU rights applying to packages. We will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent. More information on key rights can be found by visiting https:// www.legislation.gov.uk/ukdsi/2018/9780111168479/contents.

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. The cost of your travel arrangements was calculated using known costs and exchange rates in June 2024. We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking. Once the price of your chosen holiday has been confirmed at the time of booking, it will not be subject to change.

The right is also reserved to any change in airline. aircraft types and vessels scheduled for any specific departure.

If we change your holiday

Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements. Significant changes include but are not limited to the following (which are illustrative):

- Change of UK departure airport. (A change from one London airport.) to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City'
- Change of your time of departure or return by more than 12 hours
- · Change of resort
- · Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options

(a) (for significant changes) accepting the changed arrangements or (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If the holiday is cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more expensive or receiving a refund if it is cheaper or

(c) cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change

If we cancel your holiday

If we have to cancel your booking we will not cancel less than 60 days before your departure date, except for unavoidable and extraordinary circumstances, or failure by you to pay the final balance, or because the minimum number required for the package to go ahead hasn't been reached. Unavoidable and extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. The minimum number required will be provided to you with the holiday description, along with the time limit for us to tell you if the package has to be cancelled. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value). No compensation will be payable and the above options for either a change or cancellation will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

Please note, in the event of a cancellation, airline schedule change or change of departure airport, we are not liable to cover the cost of flights, trains or any form of transportation or any other expenses incurred by these changes

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers). (2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- 'Unavoidable and Extraordinary Circumstances' as defined in clause 9 above.

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 11 "Excursions". In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws, regulations and relevant standards of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10 (1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care. (5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any uggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) helow. You must ensure you have appropriate travel insurance to protect your personal belongings. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is three times the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday. (6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request. (7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur

if we breached our contract with you or (2) which did not result from

any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as

these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/ or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

12. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 01888 288 288. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Please address all correspondence to customer@ wendywutours.co.uk. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

13 Arhitration As ABTA members, we are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration and is approved by the Chartered Trading Standard's Institute. Further information on the Code of Conduct and ABTA's assistance in resolving disputes can be found at www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at http://ec.europa.eu/consumers/odr/. This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 10(4) and 10(6)). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

When you book a Holiday with Wendy Wu Tours Limited you accent responsibility for the proper conduct for yourself and your party whilst on Holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions.

16. Special Requests

If you have any special requests, including dietary requirements, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from

the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

17. Fitness. Medical Conditions, Disabilities & Illness

Please note that Asia is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated 'physical rating' is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own health, including any medical condition and/or disability that you may have. If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. Dietary allergy requests must be made at time of booking and will be passed on to the relevant supplier, but unfortunately we cannot guarantee these requests can be met and cannot be held responsible for any illness or death caused by food consumed as part of your tour package with us. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 9. If due to illness, suspected illness or failure to satisfy medical

requirements (for example compulsory vaccinations or testing) we or any of our suppliers refuse to transport or accommodate you, we may (acting reasonably) exclude you from commencing or continuing the trip. In this situation we will provide you with reasonable assistance to make alternative travel arrangements and where possible to rejoin your group when medically cleared to do so. This will be at your own cost and you should contact your travel insurance provider immediately. Note that we will not be liable to refund the cost of your trip (or any part of it) under these circumstances.

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.eurona.eu/transport/air-han/list_en.htm.ln.accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 "If we change or cancel your holiday" will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/ or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

19. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas

BOOKING CONDITIONS

point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail denarture. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc. We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or hoard on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances. the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 0333 022 1500 or by completing the relevant online form at www.caa.co.uk.
