We Take Care of Everything

FULLY INCLUSIVE TOURING WITH WENDY WU TOURS

At Wendy Wu Tours we believe that everything you need to enjoy the holiday of a lifetime should be included in the price of your tour.

Take a look at what's included in all of our Classic Tours.

All Your Flights

All our tour prices include return international economy class flights from London and any domestic flights you may need whilst on tour. We can also help you with departures from your local airport, often for little or no extra cost.

We only work with reputable scheduled airlines and of course all your pre-paid taxes and luggage is included in the price. We believe that your flights are an essential part of your holiday experience, and so our carefully selected airlines offer the utmost comfort, allowing you to arrive relaxed, refreshed and raring to go.

All Your Meals

Breakfast, lunch and dinner is included every day.

Whilst breakfasts tend to be a mixture of local eats and familiar dishes from home, when it comes to lunch and dinner, most of the time you'll be enjoying regional cuisine, often eating where the locals do.

We also include a select number of 'feature meals', so you get to taste the signature dishes of the region, whilst the rest of the time you'll eat a delicious range of your destination's best food.

All Your Accommodation

You can be safe in the knowledge that your accommodation has been selected to best suit the locations you'll visit.

Our Classic tours feature hand-picked four-star properties selected for their comfort, modern amenities and convenient location for sightseeing. We occasionally include a stay in three-star plus hotels or lodges where we feel the character of the property will enhance your tour.

All Your Guided Touring

On all of our group tours, you'll be accompanied throughout by one of our expert guides, known as a National Escort. Their dedication, personality and sense of fun will immediately put you at ease and make you feel part of the family.

You can place your trust in your National Escort, who will help you navigate the quirks and charm of local life with confidence and ease.

All Your Immersive Experiences

We not only take you to lesser visited places, but also offer authentic experiences throughout.

Be it learning a local craft, practicing an old tradition or dining with locals, you'll get under the skin of our destinations and their cultures. Check out the Authentic Experiences box on each tour page for details.

All Your Local Transport

Most of your daily travels will be by air-conditioned coach, with plenty of space to stretch out thanks to our seat and a half per guest policy.

You'll also experience a variety of transport styles that bring each destination to life – from leisurely river cruises, cyclos, and rickshaw rides to longer journeys by comfortable flights or relaxing rail travel through picturesque landscapes.

Even Your Visas

Organising your visa yourself can be a time-consuming and costly addition to your holiday. Not with Wendy Wu Tours' hassle-free visa process.

The cost of your visa is included in the tour price for all UK & Irish passport holders (excluding Laos & Indonesia, payable locally). What's more, our expert team will provide advice, coordinate your processing and safely return your passports, leaving you to simply enjoy your holiday preparation.

Please note the range of inclusions differs slightly on our Go Beyond tours to suit the preferences of the more adventurous traveller. See page 18 for details.

Enjoy authentic experiences throughout your tour

Awards are all well and good but it's our customer feedback that means the most to us.

"A great holiday, packed with interesting places to see and visit. Everything was well planned and it was good that all meals were included. We had a wonderful guide in Lap, he was very knowledgeable, helpful and went out of his way to make sure we all had a great holiday - a wonderful ambassador for his country and Wendy Wu Tours."

Robert Hornsby
(Vietnam Panorama – Feb 2026)

"Thank you Wendy Wu Tours for the awesome experience! My partner and I had never done an organised tour before (we normally organise our holidays ourselves). It was an unforgettable experience, Vietnam is such a beautiful country and our guide Mr Do (Ti) made our trip. I would certainly recommend Wendy Wu Tours to anyone looking to go on a holiday and now that we have discovered group travelling, we will definitely be doing it again (it takes away the stress of organising and makes you fully enjoy your holiday from start to finish). We also connected with fellow travellers and developed new friendships, which we'll treasure forever. Thank you very much Wendy Wu and staff."

Hanoi

Situated in the north of Vietnam, Hanoi experiences cool and dry winters and hot and humid summers. Spring and autumn are the most ideal times to visit with warm temperatures and lower humidity.

Siem Reap

Siem Reap is temperate throughout the year and experiences its highest levels of rainfall between May and October, though temperatures remain warm at this time. November to April is when the city is at its driest.

Saigon

Tropical Saigon is usually warm all year round and dry during the winter and spring months. Popular times to visit are November to May. Saigon's rainy season falls in the summer months, but these rain spells often clear quickly.

Bangkok

With its typical tropical climate, Bangkok is warm year round and at its hottest between March and June. Humidity levels are higher during this time, but this vibrant city cools down a little between July and October with periods of rainy weather and occasional showers.

Hoi An

Hoi An has two distinct seasons. Summer is very dry and warm, making this the ideal time to visit. Winter months are cooler with heavier rainfall. Hoi An's tropical climate makes this city warm year-round.

Yogyakarta

Yogyakarta has a warm, tropical climate throughout the year. The city experiences its highest levels of rainfall between November and April, while May to October is generally drier, with plenty of sunshine and warm temperatures prevailing.

Luang Prabang

Luang Prabang is located along the Mekong River and has two typical seasons. During the winter months Luang Prabang is warm and dry and during the summer months it is hot with higher rainfall than the winter months.

Kuala Lumpur

Kuala Lumpur enjoys a warm tropical climate year-round. The city experiences two main seasons, a wetter season and a drier one. From October to March, occasional tropical showers bring the city's lush greenery to life, while the drier months are perfect for exploring under sunny skies.

Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant Detailed Tour Itinerary before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide and phrasebook as well as a suggested packing list with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents around two weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3 star superior-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival and departure days, please contact us.

Q. How do I get my visa?

A. When you make your booking, we will advise you on the latest visa requirements for your destination. Our Operations team will get in touch with you nearer the time of your departure with full information on how to obtain your visa.

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to.

Q. What vaccinations do I need?

A. Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel and to allow time for any necessary vaccinations.

Q. What size are your tour groups?

A. The group size on our Classic tours is on average around 20 passengers, with a maximum group size 28. On our Go Beyond tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently. On our Classic group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 8 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure.

Q. What is the maximum luggage allowance on your tours?

A. If your tour includes internal flights your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on most internal flights. If there are no internal flights on your tour, then your allowance is the international flight limit.

Q. What currency should I take?

A. We recommend you take local currency for each country you visit in Southeast Asia, with cash widely used for everyday purchases. It is also advisable to carry some US dollars as a backup. Credit and debit cards are accepted in most hotels and larger establishments, with ATMs readily available in most towns and cities.

Q. When is the best time of year to visit Southeast Asia?

A. Southeast Asia is a year-round destination. While November to April are the most popular months to visit Vietnam, Cambodia, Laos, Thailand and the Philippines, many people enjoy tours at other times of the year when there are fewer tourists. The best time to visit Malaysia and Indonesia is generally from March/April to October.

Q. When are Southeast Asian public holidays?

A. Vietnamese New Year (Tet) follows the lunar calendar, usually falling in late January or early February, with celebrations lasting up to ten days. In Cambodia, Laos and Thailand, New Year is celebrated in mid-April, when some businesses may close and travel can be busier. Across Malaysia, Indonesia and the Philippines, various festivals and public holidays may also affect travel periods throughout the year.

Q. How fit do I need to be?

A. Our group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the Detailed Tour Itineraries which you can find on our website. Please contact us if you require any advice.

Our range of Private tours is more flexible and may better cater for individual needs. Ask us for more details.

Q. What does escorted touring mean?

A. Every group tour with 10 or more passengers will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different National Escorts are used in each country. In the event that your group is fewer than 10 you will be accompanied by local guides in each location. Our optional short stays are not accompanied by a National Escort; however you will have the benefit of our knowledgeable local guides. Transfers and flights to and from optional short stay destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is required when visiting some religious buildings in Southeast Asia.

WHILE ON TOUR

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Where road conditions or access do not permit larger coaches, smaller vehicles will be used and the group may be split across different vehicles. On our private tours we use air-conditioned vehicles suitable for the size of the party.

River: Ships or boats are used on tours which have a cruising element, from river cruising ships on the Mekong to comfortable, well-equipped sailing vessels on Halong Bay. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Q. Are meals included?

A. On our Classic tours, all meals are included, from dinner on your first evening right through to breakfast on your departure day. For Go Beyond, Private Tours and Short Stays, included meals are detailed in your itinerary. Drinks are not included on any tour.

Throughout your journey, you'll enjoy a variety of local dishes, with occasional Western options, typically served at local restaurants. In more remote areas, menus may be simpler but no less authentic.

Q. Is tap water safe to drink?

A. We strongly recommend that you drink bottled water only.

Q. What is the flying time to Southeast Asia?

A. Approx. 12 hours (if flying direct).

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our Classic group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age group.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and work with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Q. Will I be travelling with passengers from other countries?

A. Our groups are generally made up of travellers from the UK, Ireland, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start at about 8am and end shortly after your evening meal. Occasionally, an earlier start is required to meet a flight or train departure, or to visit a site at its very best.

Q. How do standards abroad compare with the UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. Is portage included?

A. Luggage transfers from the coach to the hotel lobby are included on our group tours to Southeast Asia.

Q. How does the tipping system work on your tours?

A. Tipping is expected in Southeast Asia. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours, so your National Escort will collect a tips kitty at the start of the tour and look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or river guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages. On Private tours and extensions, we will advise recommended amounts.

The specific amounts for tipping contributions will be outlined in your final documentation.

Travel with purpose

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

Essential Booking Information

Before you book with Wendy Wu Tours, please take a moment to read this summary along with the Detailed Tour Itinerary for your tour and our full Booking Conditions (available on our website). When you book with us it's on the understanding that you've read and understood these.

Your Financial Protection

Your holiday is in safe hands. For flight-based holidays, we hold an ATOL licence (No. 6639), issued by the Civil Aviation Authority, meaning your money is protected if anything goes wrong. You'll receive an ATOL Certificate when you book, clearly outlining exactly what's covered.

For non-flight package holidays, we're a proud member of ABTA (No. W7994), providing further peace of mind through a bond held by ABTA The Travel Association.

Book With Confidence

Your holiday also falls under the Package Travel and Linked Travel Arrangements Regulations 2018, meaning we are fully responsible for the proper performance of your entire package. In the unlikely event of insolvency, your payments are protected and – where transport is included – your safe return home is guaranteed.

Book with confidence. Your holiday is protected every step of the way.

Payment

To secure your booking, we ask for a non-refundable deposit of £350 per person. The remaining balance is due at least 75 days before departure. In some cases (for example flight upgrades) a higher deposit may be needed.

Travel Documents

For most destinations, you'll need a passport with at least 6 months' validity and two blank pages. While we assist and cover the cost of pre-arranged travel visas for UK and Irish passport holders (unless otherwise specified), you are ultimately responsible for ensuring you have the correct passport and visas to travel.

Health & Travel Insurance

Please arrange any recommended vaccinations in good time before your trip. You'll also need suitable travel insurance in place before booking.

Changing Your Booking

If you need to make changes before paying your balance, there's a £50 admin fee plus any additional costs incurred, such as non-refundable flights or cruise deposits.

Cancelling Your Booking

If you need to cancel, the following charges usually apply:

- 75+ days before departure: loss of deposit
- 42–74 days: 30%
- 28–41 days: 60%
- 15–27 days: 90%
- 14 days or less: 100%

Some parts of your trip may be non-refundable – if this is the case, we will explain it to you when you book.

If We Need to Change Your Holiday

Occasionally, we may need to make changes to your holiday. If this happens, we'll let you know as soon as possible. If it's a major change, you can choose a different holiday or receive a full refund.

Special Requests

If you have any special requirements (such as dietary needs), please let us know before booking. We'll do our best to accommodate them, though we can't guarantee every request.

Fitness & Medical Conditions

Each tour has a 'physical rating' and the activity levels are described in the tour's Detailed Tour Itinerary. It is your responsibility to check these carefully and be sure you can participate without adverse effect on the group.

Booking Conditions

You can find the full Booking Conditions on our website or via the QR code. They include important additional details, so please read them carefully before booking.
